What an LASC volunteer looks like:

LASC volunteers are an essential part of what we do at the LASC. Living Arts and Science Center Volunteer Teacher's Assistants are known to be positive, energetic, responsible, and hardworking. As a Volunteer Teacher's Assistant you work directly in the classroom assisting LASC teachers and helping LASC students have the best summer possible. It's a lot of hard work, but we promise it's a whole lot of fun!

Thank you for choosing to give back to your community and invest in the arts and sciences through volunteering.

Let's all work together to make creativity grow!
